**Date:** April 8, 2025  
**To:** Finance, Affordability, Asset Management, and Efficiency Committee  
**From:** Katano Kasaine, Assistant General Manager/Chief Financial Officer  
**Subject:** Treasurer's Monthly Report March 2025

This letter transmits a summary report of investments, cash balances, and performance report with interest and total return, as well as duration comparisons for the end of the reported month. A detailed report of investments is filed each month with the Board Executive Secretary. These reports are required by Section 5114 of the MWD Administrative Code. All of the investments comply with Section 5101 of the MWD Administrative Code and the Investment Policy dated June 11, 2024.

As of March 31, 2025, Metropolitan has a market value of approximately \$1.4 billion in funds in its investment portfolio. Metropolitan has sufficient liquidity to pay for the next six months of expenditures, as demonstrated in the chart below.

\*Overnight funds, as of 3/28/25, include CAMP and MMF.  
 The LAIF balance (currently \$25 million) is included in the "Total Daily Portfolio Balance" but not included in the "Monthly In-Outflows" as it is not intended to be used as a primary source of liquidity.  
 Portfolio maturities, water sales, and bond proceeds are included in the Portfolio Inflows.
